OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

Bangalore, dated 5th June ..... *194* 6.

FROM

K. SRINIVASAN, Esq., B.Sc.,
~~G.S.SUNDARA RAO, Esq., B.A.~~
Additional *Director of Food Supplies*
in Mysore, Bangalore.

To

C.E. NORONHA, Esq., M.A.,
Secretary to Government, Development Department,
(Food Supplies), Bangalore.

SIR,

Subjec Allotment of jowar from Baluchistan under the Kharif Plan 1945-46.

In continuation of my letter of even number dated 30-5-46 recommending recognition of the good work of Mr. C.B.Mascernhas, Mysore Government Representative in Baluchistan in connection with the procurement of the above quota, I have the honor to forward herewith a copy of letter dated 30-5-46 received from this official showing that he has since entertained the marginal items of additional expenses.

1. Appointment of a Punkhawalla on a pay of Rs.30-p.m.
2. Increase of the pay of the peon from Rs.27/- to Rs.32/- p.m.
3. Paying I class fare to travel by Goods.
4. Paying for the journeys of the peon to Jacobabad and back for getting personal necessaries

2. The temperature, it is well known, at Jacobabad and in ~~exhaus~~ other areas of Baluchistan is about the highest in India, the maximum temperature being at times as high as 133°F and the employment of a Punkhawallah is a dire necessity; the areas being hilly and thinly populated, supplies of Civilian requirements are very difficult and it is obviously on account of this that Mr. Mascernhas has had to pay for getting these supplies from Jacobabad. Being in such a distant place and working singlehanded all along during the last six months, this official has, in a strange place, to adapt

adapt himself to circumstances and has also perforce to meet these items of expenses. Under these circumstances, the additional items of expenditure incurred by Mr. Mascernhas are, in my opinion reasonable and very necessary.

3. I need hardly say that it is very difficult for the officials deputed for procurement work particularly in areas like Baluchistan to subject themselves to any definite rules in connection with items of small expenses and that they should have freedom to spend on such necessary items without hesitation, as otherwise the work will suffer considerably.

4. I request therefore that sanction of Government may kindly be obtained to admit these out-of-pocket expenses incurred by this official.

5. I request also that sanction may kindly be expedited regarding the allowances recommended to this official (vide letter No.A1-54/45 dated 19-12-45).

Letter dated 30-5-46 from Mr. Mascernhas, to the Director of FoodSupplies, Bangalore.

Pray forgive me for addressing you demi-officially. My only excuse is that the matter is very urgent and requires your personal intervention.

I am out of pocket and require a further advance of Rs.1000/-, immediately. No telegraphic remittances are received at Bellpat where the Station Master serves as telegraphist and postmaster in addition to his normal duties. I have kept since the 1st instant a Punkawalla at Rs.30/- per month and incidentally raised the salary of my servant to Rs.32/- from Rs.27/-. I have been travelling on this section by Goodstrain paying I Class fare. Thrice a week one of my servants goes to Jacobabad to get me my provisions, laundry and ice. I have been paying his fare for these trips out of my allowances.

I request that you will kindly telegraph the Northern India Trading Syndicate, Ltd. to remit the amount to me by M.O. or insured letter from Karachi with telegraphic advice to me as I have only Rs.43/- left with me.

I am now proceeding to Dhingra and after gathering the necessary data will submit my report tomorrow.

An account of my expenditure with the necessary statements will also be submitted before 15-6-46.
